WORK EXPERIENCES

Caskayd

Lagos, NG

Mobile Developer | JavaScript, React Native, Git.

June 2025 - September 2025

- Built and deployed a mobile application to connect 100+ small businesses with content creators for marketing using React Native.
- Collaborated with a cross-functional team of student developers.
- Implemented a responsive user interface and connected to backend services using Firebase.

PROJECTS

Deborah Imaji | JavaScript, HTML, CSS.

Jun 2025 – July 2025

- Designed and built a responsive, animated portfolio website to showcase web development experience.
- Implemented scroll animations and interactive user interface components.
- Deployed the website via Netlify with a focus on accessibility and mobile responsiveness.

AI Recipe Generator - JavaScript, HTML, CSS, OpenAI API.

Nov 2024

- Built an AI-powered web application that can generate any recipe based on user input.
- Integrated asynchronous API requests and handled JSON data.
- Designed a responsive, user-friendly interface for the web application.

Synergy | JavaScript, HTML, CSS, SheCodes Weather API.

Sept 2024

- Built a weather forecast web application using live API data and dynamic DOM updates.
- Parsed and displayed the real-time weather conditions for any city searched.
- Ensured a clean aesthetic user interface and seamless user experience across different devices.

LEADERSHIP

SST Makerspace - School of Science and Technology, PAU

Lagos, NG

Brand and Communications Lead

May 2025 – August 2025

- Spearheaded the rebranding and visual identity of PAU's student-driven innovation hub.
- Developed consistent messaging and storytelling across digital platforms to represent student hardware innovations.
- Collaborated with other team members to highlight breakthrough student projects and manage the communications strategy.

SMC Media Unit, PAU

Lagos, NG

Video Editor

March 2025 – September 2025

- Edited promotional and event videos using Adobe Premiere Pro.
- Assisted with camera operations, post-production workflows, and publishing schedules for school media projects.
- Collaborated with other team members to deliver visual content for social media and internal communications.

Pan-Atlantic University Choir

Lagos, NG

Social Media Project Manager

Oct 2024 – May 2025

- Led content planning, design, and execution for Instagram and TikTok, showcasing choir events and member highlights.
- Developed a content calendar, managed posting schedules, and collaborated with other team members.
- Increased engagement through consistent branding and analytical insights.
